Sisel International's Master Ranks

Ranks are calculated monthly according to your Personal Volume (PV) qualification and your Qualified Downline Volume (QDV). Ranks 2-Star and beyond also include a 1-Star Leadership Requirement on different legs as shown. The leaders in your downline fulfilling this requirement do not need to be frontline or personally enrolled but do need to be on different legs. All commissions are generated off the Bonus Volume (BV) of an order.

QUALIFIER	DISTRIBUTOR (Creating a foundation) <i>Recruit, Sell, and Retain.</i>					MANAGER (Building Your Business) <i>Recruit, Sell, Retain, and Develop Managers</i> <i>Building on your foundation you can now focus on helping others create their success.</i>				LEADER (Developing Leaders) <i>Recruit, Sell, Retain, and Develop Managers and Leaders.</i> <i>Share the joy of an abundant life by leading others to success.</i>			
	Distributor	Master	Master Builder	1-Star	2-Star	3-Star	4-Star	5-Star	6-Star	7-Star	8-Star	9-Star	10-Star
PV ⁽¹⁾	50	50	100	200	200	300	300	300	300	300	300	300	300

1 Star Legs					2	3	4	5	6	7	8	9	10

⁽¹⁾ 1. Personally sponsored Preferred Customer Volume can count toward this requirement.

⁽²⁾ QDV, or Qualified Downline Volume, is the remaining volume after the 50% rule is applied, which states that no more than 50% of your Entire Downline Volume (EDV) can come from any one leg.

DIRECT COMMISSION

Provides the opportunity for potentially limitless earnings on your organization as deep as it could possibly be built.

Designed to provide a valuable incentive for successful Leaders to continue building their organizations, incentivizing them to develop new leaders through all levels of their organizations.

Paying on all qualifying legs, beginning on the 8th level and continues indefinitely or until a Master Distributor in your downline of equal or higher rank qualifies to be paid the Bonus.

In the event that a Master Distributor of lower rank in your downline also qualifies to receive the Infinity Bonus, the bonus will be shared on that leg.

If a 3-Star Master Distributor or above, of equal or higher rank than you in your downline, qualifies to receive the Infinity Bonus, your Infinity Bonus on that leg will continue through the 7th, 8th, or 9th level of that distributor, depending on your rank.

Example: 10-Star Distributors receiving the 3% Infinity Bonus on levels 10 and beyond will receive the difference between 3% and 2% (9-Star) or 1% (8-Star) in the event that an 8-Star or 9-Star Master Distributor begins to be paid the Infinity Bonus on the same leg.

The full 3% will be paid starting on the 10-Star Master's 10th level, and will continue through the 9th level of the 8-Star or 9-Star Master Distributor. The split will begin on the 10th level of the 8-Star or 9-Star Master Distributor.

Wealth Building System (Paid Daily)

(Optional-based on new first level Wealth Builder Enrollments)

Step 1

The Wealth Builder Bonus Program is designed to enable you to create immediate, lucrative income, paid daily in your Bonus Bin (which can be set up in your personal website Back Office). A Distributor may enroll as many new Distributors as they want.

How To Qualify

In order to participate in the Wealth Building System you must purchase a Wealth Builder Pack (WB Pack). To remain qualified to earn Wealth Builder commissions you must have a minimum 50 PV within the past 30 days, with a six-day grace period (Preferred Customer volume counts towards this qualifier as well).

How To Earn Money

Step 1) You need to enroll 1, 2 or 3 new, first-level Distributors who purchase a WB Pack each. These become your **Freedom Team**. This allows you to earn \$50 Enrollment Bonus from each member of your Freedom Team. If you enroll all three within the first 2 weeks, the Enrollment Bonus jumps to \$100 each. Your qualified Sponsor earns the \$80 Wealth Builder Bonus described below for each.

Step 2) Upon enrolling your 4th WB Pack purchasing new, first-level Distributor, you qualify for a Wealth Builder Bonus of \$80 in addition to your Enrollment Bonus (\$50). The Wealth Builder Bonus is paid on your 4th and 5th personally enrolled WB Pack purchasing Distributors, plus their Freedom Teams down through infinity.

Step 3) Your 5th enrolled new, first-level Distributor also triggers the Check Match feature that allows you to earn a 50% check match on the Wealth side of your Freedom Team once they in turn start building their core team as well.

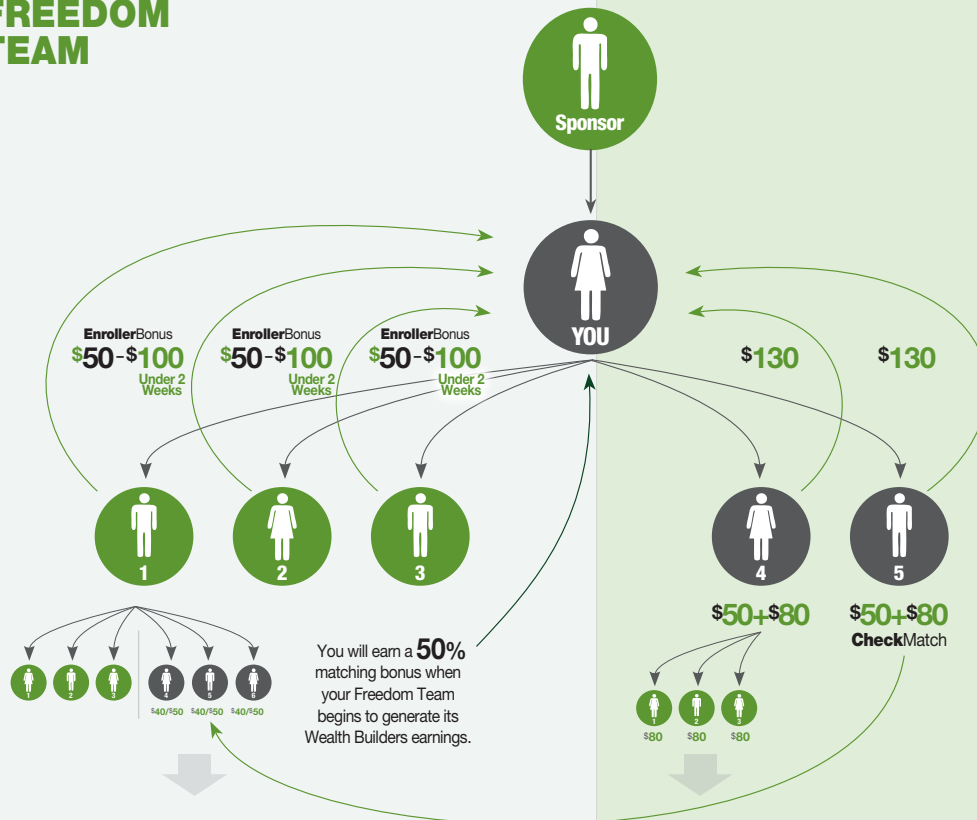

Step 4) Upon enrolling your 6th new, first-level WB Pack purchasing Distributor, you earn the Turbo Bonus of \$100 plus the Enrollment Bonus. More importantly upon this point, the Turbo feature applies to all your Wealth Builder Bonuses turning them from \$80 each to \$100 each.

Your 4th, 5th and 6th enrolled Distributors constitute the base of your **Wealth Team**. For any additional new, first-level qualified Wealth Builder Distributors you enrolled (7th, 8th, etc.) you will receive the Turbo Bonus (\$100) and Enrollment Bonus (\$50) on to infinity.

The **Freedom Team** and the **Wealth Team** positions are assigned once a personally sponsored, frontline distributor purchases a WB Pack. Once the distributor is assigned a position they will remain in that position for life, or until the account is closed. If one of a distributors team members drops out, the distributor will have a chance to fill the spot by contacting Customer Support.

Frequently Asked Questions

What is needed to join the Wealth Builder System?

New Distributors who join Sisel after August 29, 2017, must purchase a Wealth Builder Pack. All Existing Distributors who joined before August 29, 2017 are grandfathered in to the program and do not need to purchase a Wealth Builder Pack.

How many Wealth Builder Bonus Packs can I purchase?

The Wealth Builder Bonus Pack can only be purchased once.

What if I buy a Wealth Builder Pack, but the person I sponsor does not?

You will still receive commissions from the other profits centers, such as the Fast Start Bonus, as they are earned, but not from the Wealth Builder System.

Do I have to participate in the Wealth Builder System?

No, the Wealth Builder System just gives you an optimized way to build your business quickly, while elevating your income potential.

I joined before August 29, 2017. Will my existing downline be grandfathered in to the Wealth Builder System?

If your downline joined Sisel before August 29th, 2017, they—like you—are grandfathered in to the Wealth Builder System and thus they do not have to purchase the Wealth Builder Pack in order to participate in the Wealth Builder System. Please note that grandfathering applies to participation in the Wealth Builder System and all of the Bonuses associated with the program. Existing downlines may participate in the Wealth Builder Bonus, as long as they enroll new Distributors into the Wealth Builder System by enrolling them with a Wealth Builder Pack. The Wealth Builder System is a program for business builders, so you only receive these bonuses for new distributors and their downlines who have joined the Wealth Builder System by purchasing the Wealth Builder Bonus Pack.
